WHY RRC?

For over 90 years, RRC (The Rapid Results College) has been involved in education - developing, maintaining and delivering innovative training programmes. We offer a broad range of health, safety, environmental management training, including NEBOSH, IOSH, CIEH and IEMA courses.

RRC's published materials are highly respected and are used worldwide by training providers and educational organisations to deliver high-quality learning programmes, along with Practitioners as essential reference.

RRC's publications are developed by a dedicated in-house team working to the highest quality standards and only the very best subject experts are commissioned as writers. Our Content Development team comprises not only subject experts in their chosen subjects but also experienced educationalists. RRC's materials are reviewed and updated constantly, with major revisions notified quarterly.

QUALITY

As you would expect, all of RRC's courses are approved by the relevant awarding body (including NEBOSH, IOSH, CIEH and IEMA). We are also ISO 9001 accredited – further assurance of the quality of our courses.

INNOVATION

Our website www.rrc.co.uk provides a wealth of resources that will be useful to your students, many of which are free:

- Tutor blogs, keeping you and your learners up to speed with the latest topics of interest in the field of HSE.
- Quarterly newsletter, including important updates to our courses.
- Technical updates - user-friendly guides to topical pieces of health, safety and environmental law and guidance.

PRINT TEXTBOOKS

Our high-quality textbooks have been designed to support students in their studies and are written to meet the specific requirements of the relevant syllabus. These full-colour, fully illustrated textbooks break down all the key topics so they are easy to understand.

Not only can you read your textbook on- and offline, you can enjoy additional features, including:

- In this section boxes which present an overview of the important facts, ideas and principles of each section
- Definition boxes giving descriptions or definitions of words or phrases that may be unfamiliar
- More...boxes containing sources of further Information
- Hints and Tips boxes containing simple ideas that can help you as you work through the book
- Revision Questions at the end of each main section to test your knowledge as you progress
- Practice exam questions with step-by-step guidance on how to answer them

TEXTBOOKS - EBOOKS

Our high-quality textbooks have been designed to support students in their studies and are written to meet the specific requirements of the relevant syllabus. RRC eBooks take our textbooks and provide users with a flexible and interactive experience.

Additional features included with RRC eBooks:

- Easy navigation through the top menu
- Add your own notes - highlights and bookmarks for easy reference
- Full search functionality allowing you to search for any words or phrases in the text
- Additional search functionality linked to Wikipedia or Google

No matter where you're using the books, your notes and bookmarks will be saved and synced across to your other devices. And if you use the app offline, you can sync up any changes when you're next online.

REFERENCE MATERIALS

RRC LAW GUIDES

RRC's Law Guides provide a detailed guide to relevant UK legislation and case law and are designed to support students studying NEBOSH, IEMA and similar courses; they also provide a valuable reference for practitioners. Printed in black and white, they are reviewed and updated regularly and printed on demand, so you can be sure you have the most up-to-date edition on the day of purchase.

An Introduction to Environmental Management	N/A	N/A	RRCINTDNEM	15.00

RRC QUICK REFERENCE GUIDIES

Introducing a new range of short guides focusing on a specific topic. Designed to provide learners and non-practitioners with key information in easy and accessible language, focusing on clear information rather than legislation. Available in 2 formats - A-Z terminology guides giving clear and understandable explanations to key terms and concepts, and Q&A-style providing information on key questions and scenarios.

RRC ISO 14001

Businesses of all types and sizes are increasingly being expected to demonstrate environmental responsibility. One way of doing that is by achieving ISO 14001 - the international standard for environmental management. Our ISO 14001 resources cover a range of topics to assist in achieving and maintaining ISO 14001. The RRC ISO14001 series are available in full colour A4 booklets or as an e-booklet - which can be downloaded to your computer or portable device.

NEBOSH REVISION GUIDES

These essential Revision Guides combine concise revision notes with exemplar past exam questions and model answers for a fully effective revision tool.

Presented in perfect bound black and white A5 booklets:

- They provide a concise overview of all the key topics identified in the NEBOSH syllabus.
- They are structured to closely follow the relevant NEBOSH syllabus so students can easily find the topics they are looking for.
- They look at a variety of NEBOSH exam-style questions, reviewing the general approach to tackling the question, followed by a sample answer plan and a model answer.
