

SPRING 2019

Welcome!

Hello and welcome to the Spring 2019 issue of the RRC Newsletter - Health and Safety Business.

Here you'll find an overview of the most exciting and important developments at RRC and events we're involved in. As always, you can find more information on our website:

www.rrc.co.uk

NEW NEBOSH HSE Certificate in Health and Safety Leadership Excellence

This new qualification- a collaboration between NEBOSH and the UK's Health and Safety Executive- launched in 2018 and is designed for managers and aspiring leaders to understand their responsibilities and leadership styles.

This course is now available in Dubai, Tbilisi, Birmingham, Glasgow, Manchester and Newcastle.

NEW IEMA CEM Certificate in Environmental Management Online Course

I am pleased to announce that the IEMA Certificate in Environmental Management (CEM) online course is now available! This course meets the requirements for Practitioner Membership of IEMA and is regarded highly by employers.

This new online course includes videos, review questions, discussion activities and more, to help you with your studies.

NEBOSH International Environmental Diploma in Dubai

This course starts in Dubai in Autumn 2019. It will be a three-week course which has been structured to incorporate the NEBOSH Environmental Certificate to allow students to gain two qualifications.

Coming Soon...

NEBOSH Introduction to Incident Investigation

This course is currently under development and we are seeking accreditation to deliver it online and face to face. It will become available as soon as NEBOSH release it, so do keep an eye on the RRC website for updates and information on enrolling.

If you ever want to check out other updates, developments or events, don't forget to visit our website:

www.rrc.co.uk/news-resources/events.aspx

I look forward to seeing you soon.

All the best,

Gary Fallaize

Managing Director

Student Focus

In this section of the newsletter we focus on any important information that applies to your course. Please review the following carefully for anything that may impact your studies.

Don't worry – you will find that all the amendments noted here have been made to RRC digital and downloadable publications.

NEBOSH Resources

If you are studying for a NEBOSH qualification, we would like to remind you that guidance from NEBOSH is available in the following publications, which can all be accessed from the 'Students' area of the NEBOSH website (under 'Resources' for each qualification):

- **Student Preparation for Certificate and Diploma Written Question Papers**

This gives advice on learning methods, revision and examination technique and is designed to boost your confidence and improve your performance in the written assessment.

- **Guidance on Command Words – Certificate Qualifications**

This gives definitions of command words and example responses to everyday scenarios and typical exam questions.

- **Guidance on Command Words – Diploma Qualifications**

This gives definitions of command words and example responses to typical exam questions.

We strongly recommend reading this guidance as part of your preparation for the exams.

RRC Resources

RRC Health and Safety Law and Case Law Guide

We have updated the Health and Safety Law and Case Law Guide in relation to some recent legislation. If you are studying a national (UK) course, please note the change below.

Waste Electrical and Electronic Equipment Regulations 2013

This entry has been revised. You can access it here:

[Waste Electrical and Electronic Equipment Regulations 2013](#)

The complete Health and Safety Law and Case Law Guide (in which the change has already been made) can be accessed via the Resources or Quick Links sections on the Learning Centre.

Any changes required to your study elements as a result of the legislation referred to above are covered in the section on your course below.

RRC Environmental Law and Case Law Guide

We have updated the Environmental Law and Case Law Guide in relation to some recent legislation. If you are studying a national (UK) course, please note the changes below.

CRC Energy Efficiency Scheme (Allocation of Allowances for Payment) Regulations 2012 and 2013

This entry has been removed.

CRC Energy Efficiency Scheme Order 2010

This entry has been removed.

CRC Energy Efficiency Scheme Order 2013

This entry has been replaced by a brief new entry. You can access it here:

[CRC Energy Efficiency Scheme Order 2013](#)

Waste Electrical and Electronic Equipment Regulations 2013

This entry has been revised. You can access it here:

[Waste Electrical and Electronic Equipment Regulations 2013](#)

The complete Environmental Law and Case Law Guide (in which the changes have already been made) can be accessed via the Resources or Quick Links sections on the Learning Centre.

Any changes required to your study elements as a result of the legislation referred to above are covered in the section on your course below.

NEBOSH Diploma

NEBOSH National Diploma in Occupational Health and Safety

Unit B

Element B9

A revised edition of the HSE's *Manual Handling Assessment Charts (the MAC Tool)* (INDG 383) has been issued, containing minor changes to the figures and score allocation.
